Mary Anne:

The proposal from the College of Arts and Sciences to revise the current undergraduate minor program in Design, and in doing so to establish an undergraduate minor program in Design Thinking and a revised minor program renamed Design Foundations, was approved by the Council on Academic Affairs at its meeting on July 6, 2016. Thank you for attending the meeting to respond to questions/comments.

No additional level of review/approval is necessary. This action will be included in the Council's forthcoming [Annual Activities Report](#) to the University Senate.

Please keep a copy of this message for your file on the proposal and I will do the same for the file in the Office of Academic Affairs.

If you have any questions, please contact the Chair of the Council, Professor Blaine Lilly (.20 or me.

All the best with the implementation of these exciting curricular changes.

Randy
