Hello Angela and Derek

On Tuesday, March 29 , the Arts and Humanities Panel of the ASC Curriculum Committee reviewed a course proposal for Slavic 3760.

The Panel approved the course with one question, namely: Will course count in one of the undergraduate majors of the Department? In that case, an updated curriculum map is required.

The request for GE Social Science – Individuals and Groups will be reviewed next week by the Social and Behavioral Sciences Panel of the ASC Curriculum Committee.

Should you have any questions about the feedback of the Panel, please feel free to contact Janice Aski (faculty Chair of the A&H Panel; cc'd on this e-mail), or me.

Please let me know about the curriculum map. Thank you.

Best wishes,
Bernadette
