Hi Paul,

On Tuesday, March 8, the Arts and Humanities Panel of the ASC Curriculum Committee considered the following proposals: “new” Design Thinking Minor, revised Design Foundations Minor, and revisions to Design 3105, Design 3305, and 3505. Please find below the feedback of the A&H Panel:

- Both Minor proposals were unanimously approved.
- Design 3105: unanimously approved with 3 contingencies:
 - P. 1: “Please note: ‘Design Thinking Minor’ and ‘Information Design and Visualization Minor’ students may register for this course without prerequisites and co-requisites. Two issues with this statement:
 - There is no “Information Design and Visualization Minor.” What minor is here meant?
 - According to the form in curriculum.osu.edu, this is a course without prereqs or co-requisites.
 - P. 2, 7, and 8: Reference to “quizzes” whereas there are no quizzes in this course.
 - P. 3: Describe all graded assignments, papers, and examinations.
- Design 3305: unanimously approved with 2 contingencies:
 - P. 1: “Please note: ‘Design Thinking Minor’ and ‘Information Design and Visualization Minor’ students may register for this course without prerequisites and co-requisites. Two issues with this statement:
 - There is no “Information Design and Visualization Minor.” What minor is here meant?
 - According to the form in curriculum.osu.edu, this is a course without prereqs or co-requisites.
 - P. 3: Describe all graded assignments, quizzes or activities, and examinations.
- Design 3505: no vote
 - P. 1: “Please note: ‘Design Thinking Minor’ and ‘Information Design and Visualization Minor’ students may register for this course without prerequisites and co-requisites. Two issues with this statement:
 - There is no “Information Design and Visualization Minor.” What minor is here meant?
 - According to the form in curriculum.osu.edu, this is a course without prereqs or co-requisites.
 - Panel members have difficulty reading the submitted revised syllabus because it is covered with track changes. Please submit clean syllabus.
 - (Comment: To some extent, the reference to typography in the old course title seems more appropriate.)

I am going to return Design 3105, Design 3305, and 3505 so that your Department can make the necessary adjustments. The two Design Minor proposals will advance to the full ASCC once the attendant courses are approved so fast resubmission of the courses would be advisable.

Let us know if you have any questions.

My best,
Bernadette
