Dear Mike, Susan, and Amy,

On Tuesday, March 29, the Arts and Humanities Panel of the ASC Curriculum Committee reviewed course requests for Dance 2801, 2802, 2701, 2702, 8200, and 8800.

Please find below the feedback of the Panel.

- Dance 2801, 2802, 2701, 2702, and 8200: All requests unanimously approved.
- Dance 8800: Unanimously approved with one contingency, namely:
 - Why is this course variable 1-18 credits? Who would need to take 18 credits in one semester? Panel also questions if there would be extra cost for students to take so many credits in one semester. Please provide explanation, or adjust semester credit hours (including, perhaps, the maximum completion allowed and the maximum credit hours allowed).

Dance 2801, 2802, 2701, 2702, and 8200 are now being advanced to the next level. I will return Dance 8800 to the dept queue via curriculum.osu.edu in a minute.

Should you have any questions about the feedback of the Panel, please feel free to contact Janice Aski (faculty Chair of the A&H Panel; cc'd on this e-mail), or me.

Best wishes,
Bernadette
