Dear Professor Bielefeld,

Yesterday the Social and Behavioral Sciences Panel of the ASC Curriculum Committee reviewed a proposal for a new freshman seminar "Noise-induced hearing loss"

I am happy to report that the Panel unanimously approved the new course with the contingency to use the ASC-approved language for academic misconduct and disability services as stated on p. 14 of the ASC Curriculum and Assessment Operations Manual:
http://asccas.osu.edu/files/ASC_CurrAssess_Operations_Manual.pdf

Once the changes have been made to the syllabus, the course will be fully approved.

Should you have any questions about the feedback of the Panel, please feel free to contact Pok-sang Lam (faculty Chair of the SBS Panel; cc'd on this e-mail), or me.

Could you please send a revised copy of the syllabus to my e-mail address?

Best wishes,
Bernadette
