Dear Professor Sutter,

On Tuesday, April 19, the Natural and Mathematical Sciences Panel of the ASC Curriculum Committee reviewed a proposal for a new freshman seminar "You are Here: Finding Our Place in the Universe."

I am happy to report that the Panel unanimously approved the new course.

Should you have any questions about the feedback of the Panel, please feel free to contact Peter Craigmile, faculty Chair of the NMS Panel (cc'd here), or me.

I am also cc'ing Todd Bitters and Dawn Nolen, who both administer the freshman seminar program. One of them will be in touch with you for the practical arrangements related to teaching the course.

Best wishes,
Bernadette
