Dear Danielle,

On Tuesday, April 26, the Arts and Humanities Panel of the ASC Curriculum Committee reviewed your course proposal "France Beyond Borders."

I am happy to inform you that the Panel unanimously approved your proposed education abroad experience with the following recommendation:

- It is not possible to offer one single course spread over 2 semesters. That is, the whole experience (on-campus part and education abroad part) cannot be offered under the same number for one grade. The on-campus classes offered during the second part of Spring Semester will need to be a one-credit individual course (e.g., group studies number). Then, students will have to register for 3 hours for the Summer (e.g., French 3797). The Panel does agree with the documents submitted that the abroad experience is indeed worth 3 semester credit hours.

Should you have any questions about the feedback of the Panel, please feel free to contact Janice Aski, faculty Chair of the Arts and Humanities Panel, or me. We wish you all the best with your trip abroad.

Sincerely,  
Bernadette
