Dear Lisa and Mollie,

On Tuesday, April 26 , the Arts and Humanities Panel of the ASC Curriculum Committee reviewed a request to change the semester credit hours for History of Art 6001 from 3 to 4.

The Panel did not take a vote on the request but would like the following point addressed first: The syllabus for the 3-credit version with equivalent contact hours is attached in curriculum.osu.edu. An updated syllabus for a course that meets an additional 55 minutes per week also needs to be uploaded. That is, the panel needs to see the current syllabus (3 credits) and the syllabus for the revised course (4 credits).

Please also know that changes for Autumn semester courses needed to have reached the Registrar's Office by February 1. Please make effective term Spring 2017. See deadlines here <http://asccas.osu.edu/curriculum/important-deadlines>

I will return History of Art 6001 to the dept queue via curriculum.osu.edu in a minute to enable the dept to address the points above.

As always, if you have any questions about the feedback of the Panel, please feel free to contact Janice Aski (faculty Chair of the A&H Panel; cc'd on this e-mail), or me.

Best wishes,
Bernadette
