Dear Professor Doetsch,

The ASC Curriculum Committee has reviewed your proposal for a new freshman seminar, "Why do some people make more money than others? Using Economics to Explain Earnings Inequality."

I am happy to report that the proposal was approved.

Should you have any questions please feel free to contact Meg Daly, faculty Chair of the ASC Curriculum Committee (cc'd here), or me.

I am also cc'ing Todd Bitters and Dawn Nolen, who both administer the Freshman Seminar program. One of them will be in touch with you for the practical arrangements related to teaching the course.

Best wishes,
Danielle
