Dear Professor Thomas,

The ASC Curriculum Committee has reviewed your proposal for a new freshman seminar, "The Heroes of Cli-Fi."

I am happy to report that the proposal was approved with one reminder and two recommendation:

- Reminder: Final version of the syllabus should specify that the meetings will be 55 minutes each week.
- Recommendations:
 - Syllabus states that students can only miss one meeting, but it does not mention if this includes medical/health issues or other university-excused events (e.g., athletic events). This should be specified.
 - Please inform the Dept of English (Debra Moddelmog, Chair; Moddelmog.1@osu.edu), the Dept of Geography (Morton O'Kelly, Chair), and the School of Earth Sciences (Berry Lyons, Director; lyons.142@osu.edu) about this new freshman seminar.

Should you have any questions about the feedback, please feel free to contact Meg Daly, faculty Chair of the ASC Curriculum Committee (cc'd here), or me.

I am also cc'ing Todd Bitters and Dawn Nolen, who both administer the Freshman Seminar program. One of them will be in touch with you for the practical arrangements related to teaching the course.

Congratulations on your new freshman seminar.

Best wishes,
Bernadette

Bernadette Vankeerbergen, Ph.D.
