Dear Linda:

The Department of English is pleased to grant concurrence for the Women's Studies course, "Sexuality, Gender, and Race in Popular Culture." This proposed Women's Studies course on popular culture is a valuable offering because it will intersect very nicely with a group of newer and proposed 200-level Department of English courses in popular culture studies, including English 264 (Reading Popular Culture) and the proposed ASC 264 (Introduction to Popular Culture Studies). This course will also provide a very important foundation course for the proposed popular culture studies minor.

Sincerely,

A handwritten signature in cursive script that reads "Valerie Lee".
