Subject: New freshman seminar "Songs in my head: from tapping the beat to feeling the blues."
Date: Monday, June 06, 2016 1:14:48 PM

Dear Professor Costa-Giomi,

The ASC Curriculum Committee has reviewed your proposal for a new freshman seminar, "Songs in my head: from tapping the beat to feeling the blues."

I am happy to report that the proposal was approved with a recommendation and a reminder:

- Recommendation: inform the department of Psychology, Chair John Bruno (bruno.1@osu.edu), since this seminar might interest their students.
- Reminder: on the final version of the syllabus use "s/u" rather than "pass/fail" in the grading section.

Should you have any questions about the feedback, please feel free to contact Meg Daly, faculty Chair of the ASC Curriculum Committee (cc'd here), or me.

I am also cc'ing Todd Bitters and Dawn Nolen, who both administer the Freshman Seminar program. One of them will be in touch with you for the practical arrangements related to teaching the course.

Best wishes,
Danielle
