Dear Professor Denison,

The ASC Curriculum Committee has reviewed your proposal for a new freshman seminar, "Introduction to Design Fiction."

No vote was taken on the proposal. Please find below the faculty feedback:

The syllabus does not include information on the distribution of meeting times, a weekly topical outline, and information on what the team project and assignments will be. It is impossible to assess whether the one-hour credit is appropriate for this seminar.

The Curriculum Committee encourages you to submit a revised proposal sometime this summer. The committee will then review the proposal at the beginning of Autumn semester. This should not be a problem since you have indicated you would like to teach this seminar in Spring 2017.

Should you have any questions about the feedback, please feel free to contact Meg Daly, faculty Chair of the ASC Curriculum Committee (cc'd here), or me.

Best wishes,
Bernadette
