Dear Alisa,

On Wednesday, September 21, the SBS Panel of the ASC Curriculum Committee considered a proposal to change Psychology 4309 to 5309.

I am happy to report that the course request was unanimously approved.

Please let me know if I can change the effective term to SU2017. The date currently on the form is SP17, but course changes for SP17 should have reached OUR by September 1. In this case, the late arrival at OUR would be particularly problematic since I see that the 4309 version is already on the schedule for SP17.

Should you have any questions about this feedback, do not hesitate to contact Pok-sang Lan (cc'd here), faculty Chair of the SBS Panel, or me.

Best,
Bernadette

PS: Please do note that we are in the process of updating the disability statement in our materials on-line. The Office of Student Life Disability Services has moved so the revised statement will say, "Students with disabilities (including mental health, chronic or temporary medical conditions) that have been certified by the Office of Student Life Disability Services will be appropriately accommodated and should inform the instructor as soon as possible of their needs. The Office of Student Life Disability Services is located in 098 Baker Hall, 113 W. 12th Avenue; telephone 614-292-3307, slds@osu.edu; slds.osu.edu."
