---

Dear Alisa and Ana,

On Wednesday, September 21, the SBS Panel of the ASC Curriculum Committee reviewed proposals to create cross-listed Economics & Psychology 5870.

The Panel unanimously approved both courses. There were a couple of comments for the Economics submission:

- Update prereqs in actual syllabus provided by Economics. AEDEcon courses are not included on the syllabus in the Economics submission. Version of syllabus provided by Psychology is up-to-date.
- For future submissions, Dept of Economics should develop curriculum map further (i.e., provide individual detail of all courses accepted in the major, not ranges of courses).

I will now advance both courses in curriculum.osu.edu.

Should you have any questions about this feedback, do not hesitate to contact Pok-sang Lam (cc'd here), faculty Chair of the SBS Panel, or me.

Best,  
Bernadette

PS: Please note that we are in the process of updating the disability statement in our materials on-line. The Office of Student Life Disability Services has moved so the revised statement will say, "Students with disabilities (including mental health, chronic or temporary medical conditions) that have been certified by the Office of Student Life Disability Services will be appropriately accommodated and should inform the instructor as soon as possible of their needs. The Office of Student Life Disability Services is located in 098 Baker Hall, 113 W. 12th Avenue; telephone 614-292-3307, [slds@osu.edu](mailto:slds@osu.edu); [slds.osu.edu](http://slds.osu.edu)."
