One more point--since these will be courses with GE status. Please remember that the GE assessment plan will need to be implemented from the very first offering of the courses and GE data gathered. As is the case for all new GE courses, after the second offering of the courses, the Assessment Panel of the ASC Curriculum Committee will ask the departments to submit an initial report summarizing GE assessment results of those first two offerings (following the format of sections I and II of the Assessment Report Requirement in Appendix 8 of the ASC Curriculum and Assessment Operations Manual [p. 116]

https://asccas.osu.edu/sites/asccas.osu.edu/files/ASC_CurrAssess_Operations_Manual.pdf). Our program assistant Danielle Hogle (hogle.12) can help the departments with any aspect of the GE assessment requirement. She will also make sure to contact the departments before the courses are offered and provide any assistance that may be needed with GE assessment. Could you please communicate this information to the faculty members?

Best,
Bernadette

Subject: Comparative Studies 2214 / Sexuality Studies 2214

Dear Barry and Joe,

On Friday, September 16, the Arts and Humanities 2 Panel of the ASC Curriculum Committee considered twin proposals to (1) add GE Diversity-Social Diversity in the US to Comparative Studies 2214 and cross-list the course with Sexuality Studies 2214 & (2) create new course Sexuality Studies 2214 (with GE Diversity-Social Diversity in the US; cross-listed with its Comp Studies equivalent).

I am happy to report that the course requests were unanimously approved with two recommendations/comments:

- Syllabus p. 1 should also state the GE goals (namely: “Students understand the pluralistic nature of institutions, society, and culture in the United States and across the world in order to become educated, productive, and principled citizens.”), not only the GE expected learning outcomes.
- Last page of assessment plan refers to Tracdat. Please know that Tracdat will not be used for

GE assessment. GE reports are currently still being submitted via e-mail. Eventually, Qualtrics will likely be used for GE assessment reporting purposes.

The courses will now be advanced in curriculum.osu.edu.

Should you have any questions about the feedback above, do not hesitate to contact Richard Fletcher (cc'd here), faculty Chair of the Arts and Humanities 2 Panel, or me.

Regards,
Bernadette

PS: Please do note that we are in the process of updating the disability statement in our materials on-line. The Office of Student Life Disability Services has moved so the revised statement will say, "Students with disabilities (including mental health, chronic or temporary medical conditions) that have been certified by the Office of Student Life Disability Services will be appropriately accommodated and should inform the instructor as soon as possible of their needs. The Office of Student Life Disability Services is located in 098 Baker Hall, 113 W. 12th Avenue; telephone 614-292-3307, slds@osu.edu; slds.osu.edu."
