Tony:

The proposal from the College of Arts and Sciences to revise the Undergraduate Major and Minor programs in Globalization – the current separate Globalization Studies major program is dropped and it becomes the eleventh specialization in the Undergraduate International Studies Program - was approved by the Council on Academic Affairs at its meeting on August 3, 2017. Thank you for attending the meeting to respond to questions/comments.

No additional level of review/approval is necessary. This action will be included In the Council's 2016-17 [Annual Activities Report](#) to the University Senate.

Please keep a copy of this message for your file on the proposal and I will do the same for the file in the Office of Academic Affairs.

If you have any questions, please contact the Chair of the Council, Professor John Buford (.5) or me.
