Dear Molly and Nicole,

On Friday, October 7, the Arts and Humanities 1 Panel of the ASC Curriculum Committee considered a proposal to offer Pharmacy 2367 (an existing course with GE Writing and Communication-Level 2) 100% on-line.

I am happy to report that the Panel was impressed with the submission and approved the course with 2 recommendations:

- The College of Pharmacy might want to consider decimalizing the number to clearly distinguish in-class offering from on-line delivery. Thus, the regular in-class offering would become 2367.01 and the on-line version would be a new course numbered 2367.02.
- Syllabi should not only include GE expected learning outcomes but also the GE goals, namely "Students are skilled in written communication and expression, reading, critical thinking, oral expression and visual expression."

Pharmacy 2367 will now continue through the approval process.

Should you have any questions about this feedback, do not hesitate to contact Janice Aski (faculty Chair of the Arts and Humanities 1 Panel; cc'd here), or me.

My best,  
Bernadette
