Dear Julie,

On Friday, September 30, the Arts and Humanities 2 Panel of the ASC Curriculum Committee considered a proposal for Linguistics 3502, a new course.

I am happy to report that the course request was unanimously approved by the Panel.

The proposal will now continue through the approval process.

Should you have any questions about the feedback, please feel free to contact Richard Fletcher (cc'd here), faculty Chair of the Arts and Humanities 2 Panel, or me.

Best,
Bernadette

PS: Please do note that we are in the process of updating the disability statement in our materials on-line. The Office of Student Life Disability Services has moved so the revised statement will say, "Students with disabilities (including mental health, chronic or temporary medical conditions) that have been certified by the Office of Student Life Disability Services will be appropriately accommodated and should inform the instructor as soon as possible of their needs. The Office of Student Life Disability Services is located in 098 Baker Hall, 113 W. 12th Avenue; telephone 614-292-3307, slds@osu.edu; slds.osu.edu."
