Dear Ben and Alisa,

On Wednesday, October 5, the SBS Panel of the ASC Curriculum Committee considered a new course request for Psychology 4320.

Ben has likely already shared the good news, but here is confirmation of the Panel's feedback. The course is unanimously approved with one recommendation, namely: Make sure that final is scheduled during finals period. (Cannot happen during semester or reading day.)

Should you have any questions about the feedback above, do not hesitate to contact Pok-sang Lam, or me.

Best,
Bernadette
