Rachel,

On Tuesday, October 11, the Arts and Humanities 2 Panel of the ASC Curriculum Committee considered a proposal for a new course in the Department of Spanish and Portuguese: Spanish 5201

The Panel unanimously approved the new course proposal with one contingency and two recommendations:

- Contingency: Department should request concurrences from (1) the School of Health and Rehabilitation Sciences in the College of Medicine, (2) the College of Public Health, and (3) the College of Nursing.
- Recommendations:
 - Subsidy level on the form in curriculum.osu.edu needs to be doctoral.
 - Update disability statement on syllabus to “Students with disabilities (including mental health, chronic or temporary medical conditions) that have been certified by the Office of Student Life Disability Services will be appropriately accommodated and should inform the instructor as soon as possible of their needs. The Office of Student Life Disability Services is located in 098 Baker Hall, 113 W. 12th Avenue; telephone 614-292-3307, slds@osu.edu; slds.osu.edu.”

I will return Spanish 5201 via curriculum.osu.edu in a minute to enable the department to address the points above.

Should you have any questions about the feedback, please feel free to contact Richard Fletcher (faculty Chair of the Arts and Humanities 2 Panel; cc'd here), or me.

Best,
Bernadette
