Dear Professor Birkhold,

On Tuesday, October 11, the Arts and Humanities 2 Panel of the ASC Curriculum Committee considered a proposal for a new freshman seminar, "From Native American Artifacts and Nazi-Looted Paintings to ISIS in Syria."

The Panel unanimously approved the proposed seminar with one contingency and one recommendation:

- Contingency: Please request concurrence from Dept History of Art (they might have a course on cultural property).
- Recommendation: Update disability statement on syllabus to "Students with disabilities (including mental health, chronic or temporary medical conditions) that have been certified by the Office of Student Life Disability Services will be appropriately accommodated and should inform the instructor as soon as possible of their needs. The Office of Student Life Disability Services is located in 098 Baker Hall, 113 W. 12th Avenue; telephone 614-292-3307, slds@osu.edu; slds.osu.edu."

Should you have any questions about the feedback, I encourage you to contact Richard Fletcher (faculty Chair of the Arts and Humanities 2 Panel; cc'd here), or me.

Please feel free to send the concurrence and a revised syllabus to me, and I will then submit it for final approval.

Best,
Bernadette
