Dear Missy,

Yesterday, the SBS Panel of the ASC Curriculum Committee reviewed a proposal for a new freshman seminar "Beyond Ligilimency: The Psychology of Harry Potter."

I am happy to report that the Panel unanimously approved the course with two recommendations, namely:

- Include length of reflections. How will reflections be graded? (Perhaps include a rubric or other information that would be helpful to students).
- P. 2 of syllabus: "Accommodation": word is misspelled.

Should you have any questions about the feedback above, do not hesitate to contact Pok-sang Lam (faculty Chair of the SBS Panel, cc'd here), or me.

I am cc'ing Todd Bitters and Dawn Nolen & one of them will be in touch with you about teaching the seminar in the Spring.

Congratulations on your new freshman seminar.

My best,
Bernadette
