Professor Isurin,

On Tuesday, October 25, the Arts and Humanities 1 Panel of the ASC Curriculum Committee reviewed a proposal for a new freshman seminar "We Remember What 'They' Want us to Remember."

I am happy to report that the Panel approved the course.

Should you have any questions, please contact Janice Aski (faculty Chair of the Arts and Humanities 1 Panel; cc'd here), or me.

I am also cc'ing Todd Bitters and Dawn Nolen, who both administer the freshman seminar program. One of them will be in touch with you for the practical arrangements related to teaching the course.

Congratulations on your new freshman seminar.

My best,
Bernadette

PS: Please note that the Office of Student Life Disability Services has moved and the College's preferred statement is now, "Students with disabilities (including mental health, chronic or temporary medical conditions) that have been certified by the Office of Student Life Disability Services will be appropriately accommodated and should inform the instructor as soon as possible of their needs. The Office of Student Life Disability Services is located in 098 Baker Hall, 113 W. 12th Avenue; telephone 614-292-3307, slds@osu.edu; slds.osu.edu." The updated statement should be used on the syllabus when the course is taught.
