Dear Gene,

On Wednesday, November 2, the SBS Panel of the ASC Curriculum Committee considered a request to add GE Social Science-Human, Natural, and Economic Resources to CSCFFS 2260.

The Panel did not vote on the course. The Panel deems that personal finance is not social science. There is economics involved, but the course as a whole is not a social science course. Therefore, the Panel cannot approve this course for GE Social Science-Human, Natural, and Economic Resources.

Should you have any questions about the Panel's feedback, please feel free to contact Pok-sang Lam (faculty chair of the Panel; cc'd here), or me.

I will send back the course via curriculum.osu.edu.

Best,
Bernadette
