Dear Bernadette, I have received one more concurrence for Economics 8865, Health Economics. Hope that the concurrence by College of Social Work will add another justification for the proposed course. Best, Hajime

**Subject:** Health Economics 8856 Graduate Course Concurrence Request

Dear Dr. Miyazaki,

Our apologies for the delay in responding to your request. Unfortunately, it was directed to our former PhD Program Director and just this afternoon made its way to me.

Here is our response:

The College of Social Work supports the creation of the above referenced course. The proposed course is outside the scope of social work courses in our existing programs.

Please let me know if you need anything additional.

Regards,  
Tamara
