Dear Susan,

On Wednesday, November 16th, the ASCC SBS Panel reviewed the proposal for Sociology 3597.02. The proposal was approved with the following *contingencies*:

- Update the Disability Services statement
 - The Office of Student Life Disability Services has moved and the College's preferred statement is now, "Students with disabilities (including mental health, chronic or temporary medical conditions) that have been certified by the Office of Student Life Disability Services will be appropriately accommodated and should inform the instructor as soon as possible of their needs. The Office of Student Life Disability Services is located in 098 Baker Hall, 113 W. 12th Avenue; telephone 614-292-3307, slds@osu.edu; slds.osu.edu."
- Clarify the date of the final and add to the weekly schedule.
- On the grading scale, change "F" to "E."
- Add the GE goals and expected learning outcomes for the Cross Disciplinary Seminar category to the syllabus.
- State where the GE assessment data will be archived.

I will send back the course via curriculum.osu.edu in a moment. Should you have any questions about the feedback, I would recommend contacting Professor Pok-Sang Lam (Chair of the ASCC SBS Panel; cc'd on this email).

Best,
Danielle
