Dear Professor Otter,

This morning the Arts and Humanities 2 Panel of the ASC Curriculum Committee considered a proposal to add GE Diversity-Global Studies to History 3376, an existing course with GE Historical Study.

The Panel unanimously approved the request.

I am including the usual reminder that the GE assessment plan will need to be implemented from the very first offering of the course with the additional GE category and GE data gathered. After the second offering of the course with GE Diversity-Global Studies, the Assessment Panel of the ASC Curriculum Committee will ask the department to submit an initial report summarizing GE assessment results of those first two offerings (following the format of sections I and II of the Assessment Report Requirement in Appendix 9 of the ASC Curriculum and Assessment Operations Manual [p. 121]

https://asccas.osu.edu/sites/asccas.osu.edu/files/ASC_CurrAssess_Operations_Manual.pdf). Our Program Assistant Danielle (hogle.12) can help the department with any aspect of the GE assessment requirement. She will also make sure to contact the department before the course is offered and provide any assistance that may be needed with assessment. Could you please communicate this information to the faculty member(s)?

History 3376 will now continue through the approval process.

Should you have any questions about this feedback, do not hesitate to contact Richard Fletcher (faculty Chair of the Arts and Humanities 2 Panel; cc'd here), or me.

My best,
Bernadette
