Dear Curtis, Sarah, Simone, and Mollie,

This morning the Arts and Humanities 2 Panel of the ASC Curriculum Committee considered a proposal for a new graduate course in the Dept of AAAS: AAAS 7507 (cross-listed with Law 7507)

I am happy to report that the Panel unanimously approved the new course with three recommendations (for when the course is taught):

- In syllabus, please provide list of required texts and where these might be accessed. (See pp. 14-15 of the curriculum manual. )
- A list of topics for each of the weekly readings would be useful.
- The course content is difficult and charged. An acknowledgement of this in the syllabus might be helpful.

AAAS 7507 will now continue through the approval process.

Should you have any questions about this feedback, do not hesitate to contact Richard Fletcher (faculty Chair of the Arts and Humanities 2 Panel; cc'd here), or me.

My best,  
Bernadette
