Dear Ignacio,

On Friday, December 2, the Arts and Humanities 2 Panel of the ASC Curriculum Committee considered a proposal to revise the GIS Latina/o Studies (specifically, include two new graduate courses in the list of elective courses)

I am pleased to report that the Panel unanimously approved the proposal with the following recommendation: Provide correct/generic titles in the cover letter. Theatre 7899.04 is actually "Performance Studies" (not "Intro to Performance Studies") and WGSS 8840 is "Topics in Narrative, Culture, and Representation" (not "Nation and Gender in Latin American Visual Culture").

Could you please send a revised cover letter (incorporating the suggestions above) to accompany the proposal?

Once we receive the updated letter, we will take the proposal to the first meeting of the full ASC Curriculum Committee in the Spring.

Should you have any questions about this feedback, do not hesitate to contact Richard Fletcher (faculty Chair of the Arts and Humanities 2 Panel; cc'd here), or me.

My best,
Bernadette
