Dear Katra, May, and Natascha,

Last Friday, the Arts and Humanities 1 Panel of the ASC Curriculum Committee considered proposals for two new courses in your department: German 6601 and German 2256 (with GE Literature).

I am happy to report that the Panel unanimously approved both courses.

For German 6601, Carmen Taleghani-Nikazm (who is a member of the Panel) asked that the repeatability of the course be changed from 25 to 10. This has been done on the form in curriculum.osu.edu.

For German 2256, I am including the usual reminder that the GE assessment plan will need to be implemented from the very first offering of the course and GE data gathered. As is the case for all new GE courses, after the second offering of the course, the Assessment Panel of the ASC Curriculum Committee will ask the department to submit an initial report summarizing GE assessment results of those first two offerings (following the format of sections I and II of the Assessment Report Requirement in Appendix 9 of the ASC Curriculum and Assessment Operations Manual [p. 121]

https://asccas.osu.edu/sites/asccas.osu.edu/files/ASC_CurrAssess_Operations_Manual.pdf). The Assessment Panel and/or our office can help the department with any aspect of the GE assessment requirement. We will also make sure to contact the department before the course is offered and provide any assistance that may be needed with assessment. Could you please communicate this information to the faculty member(s)?

Both courses have already been advanced to the next step.

If you have any questions about this feedback, do not hesitate to contact Janice Aski, Chair of the Arts and Humanities 1 Panel, or me.

My best,
Bernadette
