Dear Joni and Lauren,

On Friday, January 20, the Arts and Humanities 2 Panel of the ASC Curriculum Committee considered a proposal for Art Education 7725.

The Panel did not take a vote on the course but would like the following points addressed first:

- The Art Dept has the following course on the books: Art 7208 “Research and Writing for Artists.” The Dept of Arts Administration, Education & Policy should ask a concurrence from the Dept of Art.
- Please include a weekly topical outline of course meetings, including topics to be covered, readings, homework, etc (The committee wants a sense of how much work is required of students.)
- The College’s preferred statement on disability services is, “Students with disabilities (including mental health, chronic or temporary medical conditions) that have been certified by the Office of Student Life Disability Services will be appropriately accommodated and should inform the instructor as soon as possible of their needs. The Office of Student Life Disability Services is located in 098 Baker Hall, 113 W. 12th Avenue; telephone 614-292-3307, [slds@osu.edu](mailto:slds@osu.edu); [slds.osu.edu](http://slds.osu.edu).” (The one on the current syllabus still refers to quarters.)
- Request to include grading information, indicating the percentages assigned to various requirements.
- The Panel deems this to be much work for 3 credit hours.

I will return the course via curriculum.osu.edu to enable the Dept of Arts Administration, Education & Policy to address the points above.

Should you have any questions about this feedback, do not hesitate to contact Richard Fletcher (faculty Chair of the Arts and Humanities 2 Panel; cc’d here), or me.

Best regards,  
Bernadette
