Dear Maria and Chris,

On behalf of the ASC Curriculum Committee (ASCC), I want to thank you again for coming to the curriculum meeting last Friday and answering some questions about the proposed new specialization in Data Visualization in the BS Data Analytics. I am glad to report that the proposal was unanimously approved by the ASCC.

The proposal is now being advanced to the Council on Academic Affairs (at OAA) for its review. Further communication about the review will come directly from OAA.

Regards,
Bernadette
