Dear Lisa,

On Friday, February 3, the full ASC Curriculum Committee reviewed a proposal to revise the Philosophy BA.

The proposal was unanimously approved with two contingencies, which I here list:

- Request to submit an updated curriculum map for the revised BA (will be needed for program assessment in the future).
- Explain how these changes will affect program assessment. How will Philosophy BA be assessed going forward?

Should you have any questions about this feedback, do not hesitate to contact Professor Meg Daly (Chair of the ASC Curriculum Committee; cc'd here).

Please feel free to send the revision/additional documentation to me, and I will then submit this to Meg Daly for contingency approval.

My best,
Bernadette
