Dear Barry and Elizabeth,

On Friday, January 20, the Arts and Humanities 2 Panel of the ASC Curriculum Committee considered a proposal to add GE Diversity-Social Diversity in the U.S. to Religious Studies 3678.

The Panel unanimously approved the course with one contingency about the GE assessment plan and two recommendations:

- Contingency: GE assessment plan:
 - For each assessment method you will use, please provide specific examples of questions.
 - For the longer paper assignments, “rubrics” are mentioned. Please provide sample rubric.
 - How will you assess “semester-long” discussion? How will faculty member be able to assess discussion throughout the semester? More focused assessment method would be preferable.

- Recommendations:
 - The Office of Student Life Disability Services has moved and the College’s preferred statement is now, “Students with disabilities (including mental health, chronic or temporary medical conditions) that have been certified by the Office of Student Life Disability Services will be appropriately accommodated and should inform the instructor as soon as possible of their needs. The Office of Student Life Disability Services is located in 098 Baker Hall, 113 W. 12th Avenue; telephone 614-292-3307, slds@osu.edu; slds.osu.edu.”
 - Recommend listing movies to be rented with the list of required texts.

I will return the course via curriculum.osu.edu in a minute to enable the department to address the points above.

Should you have any questions about this feedback, do not hesitate to contact Richard Fletcher (faculty Chair of the Arts and Humanities 2 Panel; cc’d here), or me.

My best,
Bernadette
