Dear Katra and Natascha,

On Friday, January 20, the Arts and Humanities 2 Panel of the ASC Curriculum Committee considered a proposal for a new course, German 3102.

The Panel unanimously approved the course with one recommendation, namely: For future submissions, it would be useful to the Panel if you could include titles of courses in the curriculum map. This way, the Panel will more easily be able to ascertain the content of each course and thus consider a new course in the context of the other courses in the major.

The course is now being advanced to the next step.

Should you have any questions about this feedback, do not hesitate to contact Richard Fletcher (faculty Chair of the Arts and Humanities 2 Panel; cc'd here), or me.

My best,
Bernadette
