Hello Sarah,

I am taking good note of this approval.

I am cc'ing Elizabeth Marsch in the Dept of Comparative Studies. Indeed, Classics 2222 was resubmitted but not Religious Studies 2222. Both courses should advance in unison. Therefore, once we have received the equivalent revised submission for RS 2222, we will advance both courses to OAA and the Registrar's Office.

The GE Assessment Panel of the ASC Curriculum Committee ask that the finalized GE assessment plan be implemented from the very first offering of the course and GE data gathered. As is the case for all new GE courses, after the second offering of the course, the Panel will ask you to submit an initial report summarizing GE assessment results of those first two offerings (following the format of sections I and II of the Assessment Report Requirement in Appendix 9 of the ASC Curriculum and Assessment Operations Manual [p. 121]

https://asccas.osu.edu/sites/asccas.osu.edu/files/ASC_CurrAssess_Operations_Manual.pdf). Our program assistant Shelby Oldroyd (here cc'd) will make sure to contact you before the course is offered and provide any assistance that may be needed with assessment.

Hope you are well.

My best,
Bernadette

Dear Sarah,

I hope this finds you well. I wanted to get in touch re: the revised assessment plan for Classics 2222 and Religious Studies 2222. I know that you sent it to me ahead of it being re-submitted, but I didn't have time to offer you my feedback. There are still some aspects of the plan that need to be worked on (e.g. the type of assignments you use to assess the GE ELOs, especially in the first ELO, as well as the use of grades as part of assessment, which is not typically a useful mode of assessment as a more fleshed out rubric). There is, however, no need for these changes to be made & then everything to be resubmitted, so I think it best if the changes are approved (and this email to you with Bernadette Vankeerbergen cc-d is the agreement to their approval) & then we work together on the revisions that still need to be done. I hope this sounds good to you. Do let me know if you have any questions at this time.

Best,

Richard
