Dear Chris,

On Friday, February 17, the Arts and Humanities 2 Panel of the ASC Curriculum Committee considered proposals for two new History courses with GE Historical Study: History 3312 and 3313.

I am happy to report that the Panel unanimously approved the courses with one recommendation, namely: Both courses have mistakes in the grading scale. There is no D- grade at OSU. Also, F should be E.

As always, I include the usual reminder that the GE assessment plan will need to be implemented from the very first offering of the courses and GE data gathered. As is the case for all new GE courses, after the second offering of the courses, the Assessment Panel will ask the department to submit an initial report summarizing GE assessment results of those first two offerings (following the format of sections I and II of the Assessment Report Requirement in Appendix 9 of the ASC Curriculum and Assessment Operations Manual [p. 121]

https://asccas.osu.edu/sites/asccas.osu.edu/files/ASC_CurrAssess_Operations_Manual.pdf). The Assessment Panel and/or our office can help the department with any aspect of the GE assessment requirement. We will also make sure to contact the department before the courses are offered and provide any assistance that may be needed with assessment. Could you please let the faculty member(s) know?

The courses will now continue through the approval process.

If you have any questions about this feedback, do not hesitate to contact Richard Fletcher (faculty Chair of the Arts and Humanities 2 Panel; cc'd here), or me.

My best,
Bernadette
