Dear Joni,

On Friday, February 17, the Arts and Humanities 2 Panel of the ASC Curriculum Committee considered a proposal to offer Art Education 7767 as a 100% distance learning course.

I am happy to report that the Panel approved the course with two recommendations:

- P. 6 of distance learning syllabus: At the very bottom of that page, the information for the ASC advising and academic services is supplied. Please know that the ASC advising and academic services do not work with graduate students so this information should be removed from the syllabus.
- P. 8 of distance learning syllabus: There are two statements of disability services. The first one is no longer used (incorrect physical address) and should be deleted.

The course request will now be advanced to the Graduate School.

If you have any questions about this feedback, do not hesitate to contact Richard Fletcher (faculty Chair of the Arts and Humanities 2 Panel; cc'd here).

My best,
Bernadette
