Dear Bear and Charles,

On Monday, February 20, the SBS Panel of the ASC Curriculum Committee considered a new course request for Political Science 7781. The Panel approved the course with two contingencies and two recommendations.

Please find below the feedback of the Panel:

- Contingencies:
  - Request a concurrence from Department of Linguistics
  - Page 2 of the syllabus states that reading materials will be posted on Carmen, but no readings are listed in the syllabus. Please provide a reading list.

Recommendations:

- The panel recommends including a more precise prerequisite on [curriculum.osu.edu](http://curriculum.osu.edu) form including course numbers for the methods sequence. The department can also add “permission of instructor” to the prerequisites.
- Recommend adding more detail on the requirements for the final project.
- Correct typo at bottom of page 3: “I have to baseline criteria...”

I am going to return Political Science 7781 via [curriculum.osu.edu](http://curriculum.osu.edu) in a minute to enable the department to address the points above.

Should you have any questions about this feedback, do not hesitate to contact Pok-sang Lam (cc’d here), faculty Chair of the SBS Panel, or me.

Best,  
Bernadette
