Dear Chris,

On Friday, March 3, the Arts and Humanities 2 Panel of the ASC Curriculum Committee considered a proposal to add GE Diversity-Social Diversity in the U.S. to History 2070.

I am happy to report that the Panel unanimously approved the request.

As always, GE assessment will need to be implemented from the very first offering of the course with the new GE and GE data gathered. An initial report summarizing GE assessment results will be due after the second offering of the course with the additional GE. Could you please inform the faculty member(s)?

History 2070 will now continue through the approval process.

Should you have any questions about this feedback, do not hesitate to contact Richard Fletcher (faculty Chair of the Arts and Humanities 2 Panel; cc'd here), or me.

My best,
Bernadette
