Dear Wendy and Jackie,

On Friday, February 24, the Arts and Humanities 1 Panel of the ASC Curriculum Committee considered a proposal to offer WGSS 2282 (an existing course with GE Cultures and Ideas and GE Diversity-Social Diversity in the U.S.) 100% on-line.

The Panel unanimously approved the course with one recommendation and one comment:

- The honor system will be used for exams in this course. The panel recommends that the department use a university exam center, either the Columbus testing center or one of the regional testing centers, or a proctoring service for exams. This is a better way to ensure exam security.
- Form on curriculum.osu.edu should include the 8-week option for course length because the syllabus provided is for an 8-week period. I will check off that option before I advance the course.

Should you have any questions about this feedback, do not hesitate to contact Janice Aski (chair of the A&H1 Panel), or me.

My best,
Bernadette
