Dear Kevin,

Pok-sang Lam has reviewed the revised syllabus and approved all the changes. Your first-year seminar can be offered this Autumn.

I am cc'ing Todd Bitters, who administers the First-Year Seminar program. He will be in touch with you for all the practical arrangements related to teaching the course in the Fall.

Congratulations on your new first-year seminar.

My best,
Bernadette

Dear Professor Passino,

On Monday, March 6, the Social and Behavioral Sciences Panel of the ASC Curriculum Committee considered your proposal for a new first-year seminar, "Anti-Poverty Technology."

The Panel unanimously approved the proposed seminar with two contingencies:

- Panel would like a better explanation of the course content. In particular, a better description of anti-poverty technology and the course outline is needed.
- Panel would like further explanation of assignment requirements and the weight of each assignment in the course.

Should you have any questions about this feedback, I encourage you to contact Professor Pok-sang Lam (chair of the Social and Behavioral Sciences Panel; cc'd here), or me.

Please feel free to send a revised syllabus to me, and I will then submit it for final approval.

Best,
Bernadette
