Dear Rob,

This note to let you know that Janice Aski has looked over the revision for Public Affairs 2500 and approved it. The course request will now move forward to OAA/OUR.

I am including a reminder that the GE assessment plan will need to be implemented from the very first offering of the course and GE data gathered. As is the case for all new GE courses, after the second offering of the course with the new GE, the Assessment Panel of the ASC Curriculum Committee will ask the department to submit an initial report summarizing GE assessment results of those first two offerings (following the format of sections I and II of the Assessment Report Requirement in Appendix 9 of the ASC Curriculum and Assessment Operations Manual [p. 121] https://asccas.osu.edu/sites/asccas.osu.edu/files/ASC_CurrAssess_Operations_Manual.pdf). The Assessment Panel and/or our office can help the John Glenn College with any aspect of the GE assessment requirement. We will also make sure to contact the John Glenn College before the course is offered with the GE Historical Study status and provide any assistance that may be needed with assessment. Could you please let the faculty member(s) know?

My best,
Bernadette

Subject: Public Affairs 2500

Dear Rob,

On Friday, March 10, the Arts and Humanities 1 Panel of the ASC Curriculum Committee reconsidered a proposal to add GE Historical Study to Public Affairs 2500.

The Panel unanimously approved the request with one contingency and one recommendation:

- Contingency: Please provide a GE assessment plan. The assessment plan provided is not specific to GE Expected Learning Outcomes (ELOs). Assessing students is not the same as GE assessment. See pp. 51-53 in ASC Curriculum and Assessment Operations Manual https://asccas.osu.edu/sites/asccas.osu.edu/files/ASC_CurrAssess_Operations_Manual.pdf
- Recommendation: The panel recommends making primary sources stand out more in the syllabus and making sure that students understand the importance of primary sources.

I will return Public Affairs 2500 to the initiator queue in curriculum.osu.edu to enable the John Glenn College to address the contingency of the Panel.

Should you have any questions about this feedback, do not hesitate to contact Janice Aski, Chair of the Arts and Humanities 1 Panel, or me.

My best,
Bernadette
