Dear Wendy and Jackie,

On Friday, March 10, the Arts and Humanities 1 Panel of the ASC Curriculum Committee considered a proposal to offer WGSS 2325 in a 100% on-line format.

The Panel unanimously approved the course with one recommendation, namely: This course model is ideal for a course with moderate enrollment. However, this course may attract many students, and the department should be prepared for high enrollment. The department should consider what resources to use to handle high enrollment, such as UCAT, ASC Tech, and ODEE.

WGSS 2325 will now continue through the approval process.

Should you have any questions about this feedback, do not hesitate to contact Janice Aski (chair of the A&H1 Panel), or me.

My best,
Bernadette
