Dear Amy,

On Friday, March 10, the Arts and Humanities 1 Panel of the ASC Curriculum Committee reviewed a proposal for a new first-year seminar " Questioning What Counts as Normal."

The panel unanimously approved the seminar with the following comment (to be addressed when the course is taught):

- Page two of the syllabus includes an incomplete sentence: "You are expected to attend each class and to write"

Should you have any questions about this feedback, please feel free to contact Janice Aski, Chair of the Arts and Humanities 1 Panel, or me. I am also cc'ing Todd Bitters, who administers the First-Year Seminar program. He will be in touch with you for the practical arrangements related to teaching the course in the Fall.

Congratulations on your new first-year seminar.

My best,
Bernadette
