Dear Professor Strunk,

On Monday, March 20, the SBS Panel of the ASC Curriculum Committee reviewed a proposal for a new first-year seminar, "Depression in Modern Times: From Conceptualization through Treatment."

I am happy to report that the proposal was unanimously approved by the faculty panel.

I am cc'ing Todd Bitters, who administers the First-Year Seminar program. He will be in touch with you for all the practical arrangements related to teaching the course in the Fall.

Congratulations on your new first-year seminar.

All best wishes,
Bernadette
