Dear Katey,

This note to let you know that Shari Savage has reviewed the revised syllabus and approved all the changes. Your first-year seminar can be offered in Spring 2018 (the term you selected on the form).

I am cc'ing Todd Bitters, who administers the First-Year Seminar program. He will be in touch with you for all the practical arrangements related to teaching the course in the Fall.

Congratulations on your new first-year seminar.

My best,  
Bernadette

**Subject:** New First-Year Seminar "Feminist Eco-nomies: Living Life Differently in the 21st Century"

Dear Professor Borland,

On Friday, March 24, the Arts and Humanities 2 Panel of the ASC Curriculum Committee reviewed your proposal for a new first-year seminar, "Feminist Eco-nomies: Living Life Differently in the 21st Century."

The Panel unanimously approved the proposed seminar with two contingencies:

- The number at the top of the syllabus is 1137.xx, but then the syllabus states that the seminar will be graded S/U. An S/U first-year seminar would be numbered 1138.xx.
- Provide some kind of breakdown of the weight of the various assignments & information on how to obtain S in the course.

Should you have any questions about this feedback, do not hesitate to contact Shari Savage (faculty Chair of the Arts and Humanities 2 Panel on 3-24-17; cc'd here), or me.

Please feel free to send a revised syllabus to me, and I will then submit it for final approval.

Best regards,  
Bernadette
