Dear Piers,

On Wednesday, March 29, the Arts and Humanities 1 Panel of the ASC Curriculum Committee considered a new course proposal for Philosophy 2340 (with GE Cultures and Ideas).

**The Panel unanimously approved the course with the following recommendation:**

- Syllabus needs to include the GE Cultures and Ideas goals in addition to the expected learning outcomes: "Goals: Students evaluate significant cultural phenomena and ideas in order to develop capacities for aesthetic and historical response and judgement; and interpretation and evaluation."

As always, I am including a reminder that the GE assessment plan will need to be implemented from the very first offering of the course and GE data gathered. As is the case for all new GE courses, after the second offering of the course, the Assessment Panel will ask the department to submit an initial report summarizing GE assessment results of those first two offerings (following the format of sections I and II of the Assessment Report Requirement in Appendix 9 of the ASC Curriculum and Assessment Operations Manual [p. 121] [https://asccas.osu.edu/sites/asccas.osu.edu/files/ASC\\_CurrAssess\\_Operations\\_Manual.pdf](https://asccas.osu.edu/sites/asccas.osu.edu/files/ASC_CurrAssess_Operations_Manual.pdf)). The Assessment Panel and/or our office can help the department with any aspect of the GE assessment requirement. We will also make sure to contact the department before the course is offered and provide any assistance that may be needed with assessment. Could you please let the faculty member(s) know?

Philosophy 2340 will now continue through the approval process.

Should you have any questions about this feedback, do not hesitate to contact Janice Aski, Chair of the Arts and Humanities 1 Panel, or me.

My best,  
Bernadette
