

**The Ohio State University
Colleges of the Arts and Sciences Concurrence Form**

The purpose of this form is to provide a simple system of obtaining departmental reactions to course requests. A letter may be substituted for this form.

An academic unit initiating a request should complete Section A of this form and send a copy of the form, course request, and syllabus to each of the academic units that might have related interests in the course. Initiating units should be allowed two weeks for responses.

Academic units receiving this form should respond to Section B and return the form to the initiating unit. Overlap of course content and other problems should be resolved by the academic units before this form and all other accompanying documentation may be forwarded to the Office of Academic Affairs.

The Art department welcomes the addition of this new course, 3D Computer Animation: Form, Light and Motion. While there is content overlap with two of our courses, Art 452 - 3D Computer Sculpture and Art 552 - Computer Animation, we recognize that this new course proposal is specifically designed for graduate students and that our courses are undergraduate level.
